Re:

To Whom It May Concern:

Omega Insurance Solutions is a wholesaler and we have reviewed this risk for a possible workers compensation quote with the following carriers where we have authority to quote on their behalf:

AIG	American Interstate	Ascendant	Ashmere
Associated Industries Employers	Berkshire Hathaway	GUARD Bridgefield	Casualty Bridgefield
Business First Insurance Co. of the West (ICW)	Employers	FUBA	Guarantee
Technology Ins.	Travelers	Normandy	Retail First
		Wesco	

The above risk was declined for workers compensation as it did not meet the underwriting criteria for any of these listed admitted carriers.

Sincerely,

**Keith Steverson
Vice President, Omega Insurance Solutions**
