FLORIDA CONTRACTING CLASSIFICATION PREMIUM ADJUSTMENT PROGRAM

WORKERS COMPENSATION PREMIUM CREDIT APPLICATION

The Florida Contracting Classification Premium Adjustment Program applies to qualifying employers that perform contracting operations.

A special premium calculation, which may result in a premium credit for you, will be based on average hourly pay rates for each classification of contracting operations. For your premium to be correctly established, please return the completed premium credit application, as set out on the reverse side of this letter, to:

National Council on Compensation Insurance (NCCI) Customer Service Center 901 Peninsula Corporate Circle Boca Raton, FL 33487-1362 customer_service@ncci.com Fax: 561-893-1191

NCCI will advise us of any premium credit applicable.

If NCCI does not receive this application during the policy period or within three (3) years after the policy period ends, your premium calculation will not reflect any possible premium credit.

For each applicable classification (both contracting and noncontracting) covering your company's operations in the state of Florida, report the *total* Florida payroll (excluding overtime premium pay, pay in excess of the maximum individual payroll for executive officers, or pay in excess of the payroll amount charged to partners and sole proprietors as shown on the state rate pages, as well as the entire pay for any exempt sole proprietor, partner, or officer) and the corresponding *total* number of hours worked, *for the third calendar quarter (July, August, September) of the prior calendar year* as reported to taxing authorities.

- Note #1. If you did not perform contracting operations during the third quarter of the prior calendar year, the requested information to be provided must then be for the last complete calendar quarter before the effective date of your workers compensation policy.
- Note #2. If you are a new business, submit the requested information for the first complete calendar quarter following the effective date of your workers compensation policy, when available.
- Note #3. In the absence of specific records for salaried employees, assume that each individual worked 40 hours per week.
- Note #4. **Employers**: For state rate page information, please contact your insurance agent, insurance carrier, or representative.

Please preserve your payroll records that formed the basis for this declaration because we will be required to verify the reported information to apply any premium credit.

Thank you for your cooperation.

Sincerely,

These figures are to exclude overtime premium pay (e.g., employee makes \$16/hour and is paid time and one-half, only report the payroll based on the \$16/hour), pay in excess of the maximum individual payroll for executive officers, or pay in excess of the payroll amount charged to partners and sole proprietors as shown on the state rate pages, as well as the entire pay for any exempt sole proprietor, partner, or officer. For each classification code, combine all wages for that code in a single entry.
